WHY WOULD MICAMP GIVE UP PART OF THEIR PROFITS FOR THIS PROGRAM?

As the #1 ISO for Fiserv, MiCamp offers unbeatable pricing nationwide. Our philosophy is simple: we believe in giving back to the communities where we live and work, while creating mutually beneficial opportunities for everyone to succeed.

HOW MUCH MONEY CAN WE ACTUALLY EXPECT TO MAKE?

This depends on what type of credit card processing your donors use at their businesses.
Traditional Processing - 1 million in monthly credit card processing volume = $250 to $500
Dual Pricing - 1 million in monthly credit card processing volume = $2,500 to $5,000

WHAT IS DUAL PRICING?

A revolutionary payment platform that allows merchants to eliminate their credit card processing fees forever!

DOES MICAMP HELP WITH MARKETING TO OUR DONORS?

Certainly! If needed, MiCamp can provide all the necessary information and design support to help you effectively communicate with your fanbase.

WHAT IS THE KEY DRIVING FACTOR THAT WOULD LEAD AN INSTITUTION TO TAKE PART IN THIS PROGRAM?

The MiCamp Cares program enables non-profits to engage their contact list. By leveraging MiCamp Solutions for their payment processing, your contact list can easily and seamlessly support your non-profit, without incurring any additional costs.

CAN MICAMP SOLUTIONS HANDLE A LARGE INFLUX OF NEW ACCOUNTS WITH THEIR CURRENT INFRASTRUCTURE?

Absolutely, MiCamp's infrastructure is specifically designed to accommodate significant growth on a monthly basis. With employees located across the country, MiCamp has a well-established logistical network that is integral to our ongoing success.

WHAT ARE THE NECESSARY STEPS TO TAKE AFTER SENDING THE EMAIL?

After sending the email, you won't need to do anything further, as MiCamp will take care of everything. We will assign an Elite Customer Success Team to your institution to handle all the necessary back-end implementation and logistics.

HOW WILL OUR INSTITUTION BE INFORMED ABOUT WHO SIGNS UP FOR CREDIT CARD PROCESSING WITH MICAMP?

Once you send your email, interested individuals can participate in the MiCamp Cares program by accessing a form fill through a unique QR code. After completing the form, both MiCamp and your institution will receive email notifications.
