A revolutionary payment platform that allows merchants to eliminate their credit card processing fees forever!

DUAL PRICING PROGRAM

ZERO PERCENT PROCESSING

Merchants using WAVit can set different prices for cash and credit card transactions. Payments made with cash receive a cash discount, while credit card payments have a non-cash adjustment.

SIMPLIFIED TECHNOLOGY

WAVit's proprietary software automatically applies the adjustment for credit card transactions. There's no need for manual calculations, ensuring a seamless experience for both merchants and customers.

COST-EFFECTIVE

Merchants pay a fixed monthly technology fee with no additional charges, regardless of the volume of transactions.
